**Jefferson C. Orr (Jeff)**, born in 1961 and a native of Nashville, Tennessee, is a founding partner of Smith Cashion & Orr, PLC. Mr. Orr practices principally in the areas of architect and engineer professional liability, construction and commercial litigation, and asset recovery/subrogation law.

Mr. Orr received his Bachelor of Science degree in Mechanical Engineering Technology from Western Kentucky University in 1984. During college, Mr. Orr worked as a co-op engineer for a large mechanical contracting company on several commercial and industrial projects.

In 1987, Mr. Orr earned his Juris Doctor degree from Samford University's Cumberland School of Law where he served on the Honor Council. After graduating from law school, Mr. Orr practiced law with the Nashville firm of Manier, Herod, Hollabaugh & Smith until co-founding Smith Cashion & Orr, PLC in 1998. For over Twenty years, Mr. Orr has represented contractors, design professionals, owners, and property insurers in a wide range of matters involving design defects, construction defects, delay and inefficiency claims, and all types of casualty losses.

Mr. Orr has substantial trial experience. He has litigated in courts throughout the Southeast region at both the State and Federal level. Mr. Orr has also participated in numerous arbitrations as both a litigant and an arbitrator.

Mr. Orr is active in several construction industry organizations. He is a member of the American Society of Mechanical Engineers, the Associated General Contractors, and the Associated Builders and Contractors. Mr. Orr is also a member of the American Bar Association (Construction Law Forum), Tennessee and Nashville Bar Associations, and the Tennessee Association of Construction Counsel (Executive Committee, 2005).

Mr. Orr has co-authored several publications relating to construction law, including Tennessee Law for Design Professionals, Tennessee Construction Defect Claims, Tennessee Construction Law, and Lien Laws for Design Professionals. Mr. Orr has also lectured extensively on issues involving design professionals, contractors, and sureties in seminars sponsored by the Associated Builders and Contractors, the Associated General Contractors, Lorman Education Services, and the National Business Institute.
